

Veterans Day Weekend for Unity, Hope, and Healing: November 10–12, 2001

On this special Veterans Day weekend, Interior Secretary Gale Norton and I want to invite you to the National Parks. As part of our welcome, we have waived entrance fees to all National Parks that charge them. We hope you enjoy and find inspiration in these uniquely American places.

While this is a special weekend, the National Parks are available for you 365 days a year. From Maine to Hawaii, Alaska to the Virgin Islands... America's National Parks tell our nation's stories, from which we can all draw lessons of unity, hope, and healing.

See you in the Parks!
